

G. K. Chesterton

A Miscellany of Men

A Miscellany of Men

By G. K. Chesterton (1874-1936)

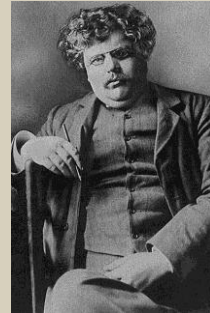

Gilbert Keith Chesterton was among the world's most prolific writers who incorporated relentless logic, wonderful humor, and a clear view of truth into an amazing tool for exposing the foolishness of the policies of the world around him through the device of paradox.

It is always great fun, and certainly always a learning experience to read Chesterton. *A Miscellany of Men* may be his hardest work to define, as it deals with a huge array of issues, using "personal types" as illustration. It would only be bewildering, if there was not these common threads: First that these types still exist, and the same faulty reasoning applies to issues of our day, and second, that underlying all of this is a firm and reasoned defense of democracy in a sense very close to that of the American Founding Fathers. (Summary by Ray Clare)
